I really don't see a pattern here to justify profiling ... do you?* Sooooo ... to keep everyone happy and to ensure we Americans never offend anyone (particularly fanatic's intent on killing us), airport security screeners will no longer profile certain people. They must conduct random searches of 80-year-old women, little kids, airline pilots with proper Identification, secrete agents who are members of the President's security detail, 85-year-old Congressmen with metal hips, Medal of Honor recipient, and former Governor Joe Foss ... but leave Muslim Males between the ages of 17 and 40 alone lest they be guilty of profiling.

Too many individuals take the 1<sup>st</sup> Amendment literally and our government does not stand up against what is right but favors the squeaky wheels of minority activist and other unfit groups in our society. *We have got to get these dead beat bums out of power!*
